

Lanzo ShowDisplay

Our new display model convinces with decisive features:

- attractive design
- high functionality
- very reasonable price
- light-weight – easy to carry
- high-end acrylic glass
- with vent holes
- optimum dimensions
- perfectly fitting for example for BraPlast boxes and others
- maximum theft protection
- escape proof

The way our ShowDisplay will be erected the hinge side points to the attendants so nobody unwanted has access to the display interior. The vendor has convenient access opening the transparent lid as far as necessary. In the closed state the display can be locked safely.

The ShowDisplay can be opened from the vendor's side so access to individual boxes is convenient.

You will find the appropriate BraPlast boxes in the section containers/boxes.
